

-I LOVE THIS PROGRAM.
Beverly Public Schools and the Beverly Education Foundation have seen substantial income already (we just started in late May 2013). With each pickup, we save the city in tipping fees!!! AND as if those two things are not enough, with each non tipped item, we save the environment by NOT incinerating. What's not to love? Thank you Bay State Textiles!"

- Lorinda Visnick

Everyone Wins!!

- ⇒ Your Town **SAVES**
- ⇒ Your School **EARNS**
- ⇒ Great for the **Environment**
- ⇒ Helps the Economy

Bay State Textiles

School Box Program

Generating **Thousands of Dollars** For Over 60 School Districts in Eastern Massachusetts!!!

Beneficiary can be Schools directly, PTO/PTA, Education Foundation, Green Team, Boosters, etc. that is up to the district.

Why Bay State Textiles?

Experience: Massachusetts based corporation with over 40 years of textile recycling experience.

Reputation: Bay State Textiles has a strong track record of working with Schools and Municipalities across Massachusetts.

Reliability: Bay State Textiles services the boxes weekly to prevent box overflow, emails weekly weight reports and disperses monthly rebate checks.

“Thank you for supporting our local schools with this great program!! Plus your customer service is prompt and polite...a rare find these days”

Jennifer Brann

Barnstable Public Schools
